

**Auob Country Lodge** is the "Green Oasis" amongst the red sand of the Kalahari Desert. Located on the C15, just 6km outside of Gochas, the reserve hosts a variety of antelope species and vast landscapes. The lodge is the ultimate stopover en-route to the **Kgalagadi Transfrontier Park**, with Mata-Mata Gate only 190km from the Lodge. Auob Lodge is known for its 4x4 sundowner game drives. You will experience nature in its purest form with a tranquil sunset view, optional open-air dinner on the red sand dunes, whilst game roams freely on the wide horizon.
