# LUXURY SAFARI ACCOMMODATION

eKhaya Bush Villa is the epitome of understated luxury, with echoes of that bygone era when the journey (or “safari” in the Swahili vernacular) was as important as the destination...

The blend of colonial and traditional African styles has inspired a wonderfully interwoven decor palette which offsets the beautiful scenery around the villa.

## DINING AT EKHAYA

Our breakfasts are legendary. Taken at a leisurely, unhurried pace, we go the extra mile to ensure that we source the best fresh and organic ingredients for our home-cooked fare, lovingly prepared by the fabulous Reginah!

We are also proud to cater for vegetarian and vegan diets as well as devotees of Banting! We are able to provide Halal options and can accommodate gluten and sugar-free requirements as well.

# ACTIVITIES

Your stay at eKhaya Bush Villa positions you perfectly in the heart of one of South Africa's most interesting and exciting areas, with a wealth of things to do, places to visit and activities to be experienced. The town of Hoedspruit – the centre of South Africa's safari industry – is just a stone's throw away. With some great restaurants, coffee shops and pubs, as well as an array of curio, decor and art shops and one of the most well-stocked wine merchants outside of the Western Cape, Hoedspruit has a lively night life and an old-world charm.
