

LOCAL TRAVELER'S HEALTH SURVEILLANCE FORM

Please note this is a mandatory requirement by the Kenya Government for both residents and non-residents of Kenya, to fill in this form digitally before your **domestic flight** (not your international flight).

HOW TO COMPLETE THE FORM

- Please use your phone to scan the QR code, in order to access the form and fill in your details online.
- Only **one form** should be filled by an **adult member** per family.
- For '**arrival date in Kenya**', please put the date of your domestic flight taking place (not your arrival date in Kenya).
- Upon successful completion of the form, you will be emailed a QR code for presentation at the port health desk on arrival at your destination. You can also check the downloads folder of your device, for the QR code.
- If you are unable to scan the code, you can access the link via https://ears.health.go.ke/local_airline_registration/
