ROMANCE IN THE WILD: SAFARI WEDDINGS AT KWANDWE

SAFARI NUPTIALS

Inspired by the pristine natural surrounds and composed around Kwandwe Private Nature Reserve's ethos of 'connected experiences', weddings are designed to be filled with moments celebrated together in a way that is authentic to each couple, no matter the size of your celebration.

We offer you a highly personalised ceremony within the open African bush, surrounded by nothing but miles of wilderness, multi-day celebrations featuring a diverse array of safari experiences and intimate get-togethers. Let our team offer you our guidance and expertise in creating your perfect day with tailored menus, décor, and unique locations for your ceremony and guest experiences. Our chefs will ensure to take note of all your dietary requirements into consideration as they create a memorable feast.

Game drives, Big Game walks, fishing and birding may be interspersed with cigar and whisky lunches deep in the reserve for the groom and his close friends whilst the ladies enjoy spa treatments, a harvest table of freshly prepared seasonal delights and South Africa's best sparkling wine at one of the lodges.

A purposefully designed boma, inspired by a traditional open-air corral, is available on the banks of the Great Fish River with space for a dance floor and seating for up to 60 guests for larger, star-lit celebrations and 'wild' parties. Out on the reserve's sandy riverbanks, escarpment plateaus with views to eternity and open kopjes provide a choice of magical wilderness settings for smaller gatherings. No two events will ever be the same with over 54 000 acres of wilderness on offer.

Weddings at Kwandwe are subject to the sole use booking of one of our two celebrated lodges, or one of three private and intimate villas.
