4 NIGHTS SERIAN'S NKOROMBO

5 NIGHTS SERIAN'S SERENGETI LAMAI

The Lamai Wedge is a golden triangle defined by the Kenyan border on top, and the Mara River below, and remarkable for the beauty of the landscape..

Between June and November, the Great Migration is making its annual passage back and forth across the Mara River, and we are lucky enough to have front-row seats to all the action in both Kenya *and* Tanzania. Incorporating the magical Masai Mara as well as the stunning Serengeti not only proffers the best opportunity to see multiple river crossings, it also gives you access to two world-renowned game-viewing areas that are as abundant as they are beautiful.

DAY 1 • 4

Nkorombo is nestled in a stunning little spot on a bend in the Mara River, embodying the laid-back intimacy characteristic of Alex's camps. Awaken feeling part of a nature documentary amidst lions, zebras and buffalos... And, of course, the Great Migration thundering past and crossing a few metres downstream. This reserve takes its name from the Masai word for 'dotted', and indeed the gently rolling grasslands are littered with wildlife. Birds, too, are prolific. A photographer's dream, it's the perfect place to start your safari.

DAY 5 • 9

The Lamai Wedge is a golden triangle defined by the Kenyan border on top, and the Mara River below, and remarkable for the beauty of the landscape as well as for fantastic sightings of predators and black rhino. Our camp is poised for action just above one of the major wildebeest crossing points, promising plenty of drama and action. Away from the river, absorb the mesmerising savannah, and spend quality time seeking out and hanging with animals. Have a picnic under a tree: channel the full-bellied lions and gaze up at the sunlight dappling through the leaves.
