Location & Description

Moon Mountain Lodge is an ultra-luxury tented lodge ideally located at the foot of the Naukluft Mountains. Large, airy rooms offer all the comforts of a luxury hotel suite with infinite views from your bed or private splash pool. The lodge is situated 56km from Sesriem — the gateway to Sossusvlei, home to the world’s highest dunes and close to the quaint little village of Solitaire.

Moon Mountain Lodge offers 17 accommodation units each with a private plunge pool. Rooms offer spectacular views of the adjacent mountain ranges or desert landscape. In addition, each unit is individually decorated.

The Executive Suites feature detached private bathrooms. Bathrooms include separate deep soaking bathtubs and handled showers with rainfall shower heads. The double sinks allow for ample space, while as an added convenience, bathrobes are provided.

Housekeeping and laundry is offered daily. Our Nebula Restaurant specialises in local cuisine and serves breakfast, lunch, dinner, and drinks. Alfresco dining is possible on the outside deck (weather permitting).

Our fully-licensed Cosmos Bar serves drinks throughout the day and is adjacent to a large deck overlooking the desert plains and Petrified dunes in the distance.
