The day will begin by heading to the **COMPANY'S GARDENS** in the city centre. The focus will be on the various sculptures and monuments found throughout the garden and the history that it represents.

After a leisurely stroll through this significant garden we will make our way to the **NATIONAL ART GALLERY**. This museum houses outstanding collections of South African, Africa, British, French, Dutch and Flemish Art. Selections from the Permanent Collection change regularly to enable the museum to have a full programme of temporary exhibitions of paintings, works on paper, photography, sculpture, beadwork, textiles and architecture.

**RUST EN VREEGD** is the next stop on the tour and is a house built by Willem Cornelis Broers in 1778. The house is home to William Frehr's collection of rare watercolours in the 16th-19th century pictorial Africana which reflects the history of the Cape and early South Africa.

Guests are welcome to enjoy lunch at one of the close by restaurants such as **BLACK SHEEP**, **CARNE** or **TRUTH**.

The **IRMA STERN MUSEUM** is up next on the tour. The collection can be viewed at Stern's house and comprises of her beautiful paintings that greatly influenced the development of modern art in South Africa as well as interesting artefacts that she acquired during her numerous travels to Europe and Africa.

The last stop of the day is the **JOHANS BORMAN ART GALLERY** in Newlands. What makes the gallery so unique is that it offers the opportunity to buy works from the old masters such as Irma Stern, Gerard Sekoto, Alexis Preller, Maud Sumner and Gregoire Boonzaier which can also be seen in the Ellerman House Private Collection.
