## ELLERMAN HOUSE CUISINE

As guests enjoy panoramic views of the Atlantic Ocean, our team of dedicated chefs, led by Executive Chef Grant Daniels, delight with vibrant South African inspired recipes.

Extraordinary attention to detail has always defined the dining experience at Ellerman House and Grant Daniels brings his classically inspired style with a nod to his Cape Malay roots to guests at Ellerman House. Growing up in the Cape Flats, just outside Cape Town, Grant's passion for cooking was sparked by spending time in the kitchen with his mother while she prepared traditional Cape Malay dishes for Sunday lunch.

"Stick to the classics and you can't go wrong," says Grant, who aims to create wholesome comfort food influenced by his traditional French training, while bringing in his Cape Malay heritage and a wealth of South African flavours. The restaurant at Ellerman House is so much more than a hotel dining room. "It's a fully-fledged restaurant experience in an exclusive, family owned hotel setting," explains Grant.

Menus for lunch and dinner constantly evolve to match the ever-changing seasons and international culinary trends. Ranging from formal lunch and dinner menus, light tapas meals and tasting menus with wine pairings. Guests are spoilt with the generous offering of dining areas available at Ellerman House. Settle into the elegant dining room, the John Meyer Room – our private dining area, one of the many terraces for al fresco dining, in-room dining or BAR ROC.
