ELLERMAN HOUSE

VILLA ONE: 3 LEVELS

SPA LEVEL

Indigenous gardens and flowing water welcome guests to the entrance of the spa with its tranquil ocean views and modern spa facilities. The Ellerman House Spa and two Deluxe Spa bedrooms are located on this floor, with Villa One on the upper two levels accessed either by secure elevator or staircase.

MAIN ENTERTAINMENT LEVEL

Sophisticated minimalist décor and a stunning collection of original art are key characteristics of the living areas, including a study, TV lounge, dining room and entertainment area. A private chef is on call to create breakfast, lunch, snacks and dinner focusing on fresh, locally sourced and seasonal ingredients. Any dietary needs or restrictions, food allergies or children's meals may be discussed with the chef.

BEDROOM LEVEL

The top floor has three bedrooms, each with a spacious en-suite bathroom featuring infinity mirrors, a ladies library and art gallery. The master bedroom has sea views from the bedroom and bathroom, the second bedroom also has sea views and the third bedroom faces the Twelve Apostles mountain range. All rooms can be converted into king or twin rooms on request. The ladies library has a single day bed for relaxing and enjoying a selection of books and magazines.
