THE SPIRIT OF THE ALTIPLANO

At **Tierra Hotels**, we have great love and respect for the earth and all its resources and majesty. We invite curious travelers of the world to join us in the wonderful Atacama desert, magical Chiloé island and faraway Patagonia.

TIERRA ATACAMA HOTEL & SPA

At Tierra Atacama, an adventure spa, guests combine active enjoyment of the desert with profound restfulness. We present the beauty of the Altiplano via guided hikes, bikes, and horseback rides. Rejuvenation comes from spa time, inspiring views and conversation with new found friends over cocktails and meals.

HOTEL DESIGN & FACILITIES

The integral design is the result of the work of some of Chile's leading creative talent. Our objective was to be as authentic as possible, using mainly local materials. The resulting spaces excite, relax and inspire. Facilities include living room, bar, restaurant, WiFi throughout the hotel, TV lounge, excursions area, board games, outdoor campfires, lounges with views of the Licancabur volcano and Uma Spa.

ROOMS

The hotel has 32 rooms styled with Atacameñan details. 16 "Oriente" rooms (35m²/377 sq ft) have terraces facing the volcano and bathrooms with indoor and outdoor showers. 14 "Poniente" rooms (37m²/398 sq ft) have bathrooms with tubs and showers and terraces with views of the gardens and mountains.

Two family rooms sleep up to six with one master bedroom and two rooms with twin beds and their own bathrooms (97m²

total/1044 sq ft).

All rooms feature mountain and volcano views, private terrace, outdoor shower, hairdryer, central heating, air conditioning, ceiling fan, telephone and safe deposit box.

ADVENTURES & EXCURSIONS

Guests consult with our head guide at the beginning of their stay to select the best excursions for them, taking into account individual interests and fitness levels. We offer a wide range of activities including hikes, walks, bicycle rides, horseback rides, volcano climbing, stargazing and excursions in our vehicles. Relaxing at the spa is always a lovely alternative to the outdoor adventures.

FOOD & WINE

Our chefs use local ingredients prepared in a style that considers health conscious yet hungry guests. We use fresh produce from our garden wherever possible. The extensive wine list, includes boutique and organic wines, and guests can sample different varieties according to their choice of menu.

The bar serves a wide variety of drinks, including our signature version of the Chilean pisco sour, with infusion of rica rica, a local herb.

SPA

Uma Spa ("water" in the local Aymará language) has a heated indoor pool with bubble beds, jets and cascades, steam rooms as well as relaxation areas with volcano views.

Services include a full range of massages and facials, with specialist treatments based on the local desert elements. Large windows open out to the deck with an outdoor infinity pool, Jacuzzi, outdoor wooden hot-tub and more relaxation beds around the pool.

SUSTAINABILITY

Sustainability is a strong factor in our decision making and we invite guests to join us in actively protecting our fragile planet.

Our initiatives include solar panels which provide 50% of our power, an independent water-recycling system and a landscaping concept which preserves local vegetation and trees, emphasizes agriculture with seasonal plantings such as corn, quinoa, figs and other fruits, vegetables and herbs which are used in the restaurant. Our philosophy is to support local small businesses and we work closely with the local college to support the education of the village residents.

LOCATION & SEASONALITY

The hotel is a 15 minute walk to the village of San Pedro de Atacama, an oasis in the north of Chile. The drive to the nearest airport, Calama, is approximately one hour and flights from Santiago take 2 hours. At an altitude of 2,400m (7,920 ft). San Pedro is a great year round destination.
