GET CLOSER. BE CLOSER.
EXTRAORDINARY SAFARI EXPERIENCES

What is Siringit Villa?

'Siringit Kilimanjaro Golf and Safari Retreat' is a luxurious 6 bedroom villa located within the confines of the superb Kilimanjaro Golf and Wildlife Estate. This spacious and elegant property has been carefully created to provide an unrivalled guest experience in the Arusha area.

The villa can be booked either on a 'per room' basis or for private and exclusive use as desired.

A great deal of care and attention has gone into every detail of the Villa.

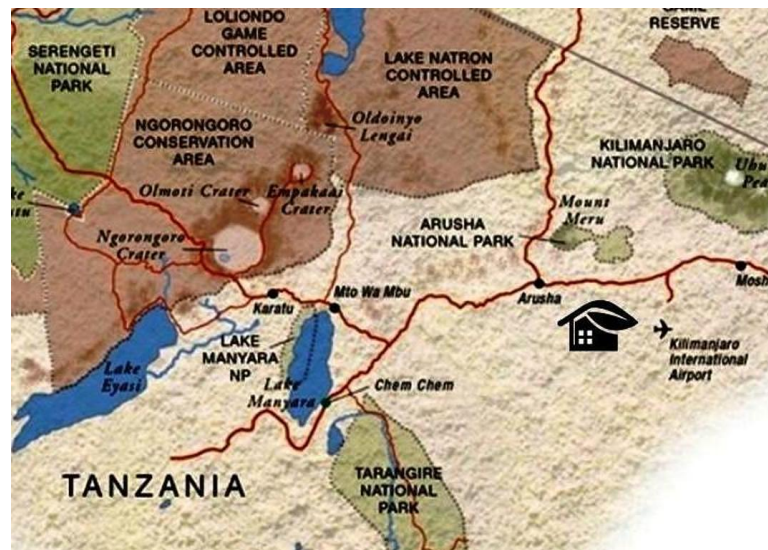

Location

Siringit Villa is located on the edge of the 5th fairway of Tanzania's first 18 hole championship Golf course (www.kiligolf.com).

The villa lies approximately 35 kilometres by road from Kilimanjaro International Airport and 25 kilometres from the city of Arusha.

It is also serviced by 'Dolly Aerodrome,' a recently constructed private airstrip which is located a ten minute drive from the property and which provides easy access to the Northern Safari circuit by air.

Accommodation

The six generous and exquisitely decorated bedrooms, each with its own private en-suite bathroom, have been designed to meet the requirements of the most discerning of visitors. And the gorgeous living room, the fine dining area, the outside dining terrace, the lush gardens and the invigorating infinity pool all combine to guarantee a highly enjoyable stay.

Four of the bedrooms are interconnecting making them ideal for use by families.

Golf

Siringit Villa is conveniently located beside the 5th fairway of Tanzania's only 18 hole championship Golf course (www.kiligolf.com). Guests can enjoy some magnificent views of both Mount Kilimanjaro and Mount Meru during the course of their rounds.

Dolly Aerodrome

'Dolly Aerodrome' is a new, fully licensed airstrip located 10 minutes drive from Siringit Villa.

It is used by both scheduled airlines as well as by private charters and is an ideal departure point for flying Safaris for visitors wishing to avoid the long drive through the city to reach Arusha Airport.

The proximity of Siringit to the aerodrome makes it an ideal place to stay both at the beginning and end of every flying Safari.
