

LILONGWE

HEUGLIN'S LODGE

Heuglin's Lodge is situated in the leafy residential suburbs of Lilongwe, just minutes away from the city centre. This attractive rambling house is named after the Heuglin's Robin, which is often seen in its gardens.

Heuglin's is an ideal base for a sightseeing tour of the capital city. The lodge provides a relaxing interlude before or after a safari and serves as a comfortable waiting point for transfer guests as well as short-stay and business guests.

The lodge is fully catered and has nine spacious and tastefully furnished bedrooms; eight are en-suite and one with an outside bathroom. A large swimming pool, lounge, wildlife library and "help yourself bar" enhance the "home away from home" atmosphere at the lodge. A wireless broadband connection is provided and a business centre with internet access, printers and photocopying facilities is available for business guests to use. Chauffeured transport for trips in and out of town as well as to and from the airport can also be arranged.
