

Wildtrack  Safaris

ECOLODGE

CHOBÉ | BOTSWANA

An Eco Lodge

At the corridor of where four countries meet

Introduction

Wildtrack Safaris Eco Lodge borders the Hwange National Park and is situated near the village of Pandamatenga and the Kazuma National Park. Botswana's beautiful Chobe region is only an hour from the lodge, making it possible to explore the Chobe National Park and River.

The lodge lives up to its name; it is our aim to minimise our impact on the environment. The entire lodge is solar-powered; all hot water is supplied by solar geysers, waste is recycled and effluent treated and returned to the environment safe and clean. Wildtrack Safaris Eco Lodge is a private and exclusive lodge comprising of eleven thatched luxury suites - one of which is both wheelchair friendly and family oriented. Each suite is uniquely styled and themed to reflect Africa's rich and diverse cultures, with extra-length King size beds appointed in crisp, white linen. The en-suite bathrooms with natural stone baths open out to private outdoor rain showers with panoramic views, allowing guests to experience the true spirit of Africa.

Take time to relax on the lush tree-filled lawns, or cool off in our sparkling swimming pool - while sipping on a sundowner as the sun sets ablaze with colours. After a sumptuous, gourmet dinner, unwind at the boma overlooking a lit waterhole - or simply lie back whilst taking in the splendour of the Milky Way's stars, as the exhilarating sounds of the African bush comes alive.

What's On Offer?

Botswana has many diverse areas of wildlife habitat in addition to the delta and desert areas; there are grasslands and savannahs, where lion, large concentrations of Zebra, Eland, Blue Wildebeest, antelopes, and where many other mammals and birds are found. Northern Botswana also has one of the few remaining large populations of the endangered Wild Dog, as well as being famous for having the world's largest concentration of Elephants.

Wildtrack Safari Eco Lodge has a range of activities on offer, which include morning and night game drives in open 4x4 game drive vehicles, guided bush walks, as well as interactive tours within the community of Pandamatenga - allowing guests the opportunity not only to observe, but also

contribute towards ongoing community enrichment programs. Day trips to the Chobe National Park, Hwange National Park, the Okavango Delta and the Victoria Falls can be arranged whilst at the lodge.
