

Q'inti Inca Trail equipment

Fixed Departures equipment included

REI Quarter Dome T2 and T3

- 3- season, two door tent
- Dry entry/exit vestibule design ensures water won't drip into the tent when doors are open during rainy weather
- Seam-sealed bathtub design and water-tight corners create a waterproof floor
- Active climate control uses flow-through chimney ventilation to keep air moving through the tent to reduce condensation; vents operate from inside
- REI Quarter Dome T2 for single accommodation: Floor dimensions 84 x 51 inches or 213 x 130 cm (29.7 square feet) plus vestibule area of 6.5 + 6.5 inches.
- Peak height 40 inches or 101 cm
- REI Quarter Dome T3 for double accommodation 84x 68 Inches or 213 x 173 cm 39.6 square feet and a vestibule area of + 6.5 + 6.5 square feet.
- peak height 109 cm

REI ARETE ASL 2 and 3

- 3-4 season tent
- Dual AirLift rainfly vents channel wind to increase tent's strength; fully adjustable, these ceiling vents create cross-flow ventilation that mitigates condensation
- Arete can be used in a variety of seasons and climates: inner tent is fully closeable, with zippered panels that cover the mesh doors and vents
- Hybrid floor combines sealed seams and bathtub curves to create a waterproof, taut floor; tautness enhances door-zipper operation and maximizes volume at end walls
- Vestibule overhangs tent door so rain stays outside
- Multiple storage options include corner pockets, roof pockets and hang loops; use the door pocket to hold door out of the way or for storage
- REI Arete ASL 2 for single accommodation 60x88 (224 x 152 cm) 32.5 square feet. Peak height 40 inches or 102 cm
- REI Arete ASL 3 for double accommodation 76 x 88 inches

Thermarest

- Horizontally cored foam is engineered to be lightweight and compressible without compromising warmth
- Regular and Long sizes available 48/72 inches
- Thickness 1.75
- Width 20 inches

Solar flash light

Sunlight At Night Our solar-powered flashlight is a mere 4" x 1-1/2" x 3/4" thick, with a solar panel in the side and a built-in carabiner-style hook in the back. Snap it onto your belt, backpack, keys, or any place else that's handy. Has (2) bright white LEDs on the front. Ours has run for over an hour on an indoor charge

Duffle Bag (8 kg)

Q'inti allows 8 Kg per hiker including sleeping bag and liner. Each person receives a waterproof duffle bag on the day of the briefing. Each hiker needs to pack their belonging for the next 4 or 5 days into that bag. Please check the list carefully for the recommended items.

Woodlands Screen House from L.L.Bean

This roomy screen house not only keeps bugs out, but also has the option of adding a full-coverage rain fly for superior weather protection. The screen house has two doors: a full-size that lets you easily move furniture in and out, and a half-panel for people to move through without letting insects in. Dimensions 10' x 10'. Peak height 6'6"

Camp chairs

Due to strict weight limitations and number of porters allowed according to group size, we usually plan on taking these small camping chairs.

Warm water bowl

Upon each arrival to the lunch spot or camp site our staff will receive the hikers with a bowl of (warm) water and a wash cloth to clean up before the meal.

Chemical toilet

A chemical toilet will be set up at the lunch spot and at the camp site. Also available will be Turkish toilets from the park service.

We also include in private departure

Sleeping bag REI Halo 10F

- Premium 750-fill-power goose down insulation for 12 degrees Fahrenheit
- Contoured hood, face muffler, trapezoidal foot box, full-length ant snag zipper, and full-length draft tube with ground-level seams all keep body heat in, cold air out
- External chest pocket keeps essentials such as your headlamp, watch and glasses right at hand and easy to find in the dark
- Sizes available regular and long . Fits up to 72/78 inches

Cocoon cotton liner

- This lightweight, breathable, 100% cotton mummy bag liner is specially woven with fine yarns to be warm and durable Mummy shape constructed with a drawstring hood and a boxed foot area
- Keeps your bag clean and adds approximately 5 degrees of warmth

Pillow

A fluffy pillow is included for a more comfortable night sleep. Synthetic filling.

Camp towel

We will provide our guests with a super absorbing, light weight camp towel for bath

Hiking poles

- Strong 3-section 7075-T6 aluminum alloy shafts extend to 55 in. and compact to 26 in. to fit on your pack
- DuoLock™ internal locking mechanisms apply a wide area of pressure against pole walls to lock in length adjustment
- Soft EVA foam hand grips have an ergonomic, contoured shape and are easy to hold; adjustable padded neoprene wrist straps add support
Length 26.4-55.1 inches or 67-140 cm

Pop up privacy tent

A light weight privacy tent will be set up near your tent for a more comfortable way to change clothes, take a warm bucket /pitcher bath

Camp chair with armrest (available for private departure up to 4 people)

These comfortable camping chairs will be set up at the lunch spot and at each camp site. Having a back rest will make your resting time so much more comfortable.
